

FirstDock

for the Dell Latitude E6400, E6410, E6400ATG, & E6410ATG

Dell SKUs: A2704674 (standard)
A2932366 (w/ power supply)

Features:

Superior Functionality: The new E-ATG FirstDock custom docking station includes several exclusive features:

- Available with built-in power supply
- Lets Dell notebooks "breathe easy" with precisely placed ventilation holes to enable airflow
- Includes two custom features: a USB port in the front of the dock, as well as a second serial connector for added convenience
- Available ports include 2 Serial connectors, 2 Audio connectors, 6 USB ports, Parallel port, AC adapter, VGA connector, 2 DVI connectors, eSATA connector, Network connector, and an E-monitor connector
- Durable design tested to military standard (MIL-STD 810F) and Standard of Automotive Engineers (SAE J1455) – the ultimate benchmark for vibration and crash resistance certification.
- Equipped with screen holder for added stability
- Key lock for increased security
- Aesthetic powder-coated finish protects from smudges and scratches
- Optimal footprint provides maximum user space
- Closes completely in locked position
- Constructed of heavy gauge metal to withstand the toughest environments

Service:

- Toll free number 1-800-330-5399
- Installation services available throughout the Continental U.S.
- Full 3-year warranty on all metal products
