

FirstDock

for the Dell Latitude XT2 XFR™

Dell SKU's: A3412664 (standard)
A3412665 (3 RF Pass-thru's)

Features:

Superior Functionality: The new FirstDock custom docking station for the Dell Latitude XT2 XFR Tablet Computer includes several exclusive features:

- **Built-in 8x DVD±RW drive** that reads and writes to CDs and DVDs
- **Option to add 3 RF (antenna) Pass Thru's** for the added functionality you require
- **Available ports** include a serial connector, audio connector, 4 USB 2.0 (2 rear, 1 side, and 1 front) connectors, an AC adapter, VGA connector, DVI connector, eSATA connector, RJ-45 network connector, and a 1394 (firewire) connector
- **Durable design** tested to military standard (MIL-STD 810F) and Standard of Automotive Engineers (SAE J1455) – the ultimate benchmark for vibration and crash resistance certification.
- **Key lock** for increased security
- **Aesthetic powder-coated finish** protects from smudges and scratches
- **Optimal footprint** provides maximum user space

Service:

- Toll free number 1-866-834-3683
- Installation services available throughout the Continental U.S.
- Full 3-year warranty on all metal components
