

FirstCradlePlus

for the Dell Latitude E6400, E6410, E6400ATG, & E6410ATG

Part number: FM-CP-ATG-E

With Dell Advanced Port Replicator

Without Port Replicator

Features:

- **Dual Functionality:** The FirstCradlePlus can stand alone as a cradle, or by simply adding the DELL E Series Standard Port Replicator you gain the features of a full vehicle docking station
- Compatible with E6400, E6410, E6400ATG and E6410ATG
- Durable design tested to military standard (MIL-STD 810F) and Standard of Automotive Engineers (SAE J1455) – the ultimate benchmark for vibration and crash resistance certification.
- The Advanced Port Replicator, which allows the cradle to function as a dock, is sold separately from Dell.
- Key lock for increased security
- Aesthetic powder-coated finish protects from smudges and scratches
- Optimal footprint provides maximum user space
- Screen support arm available for added stability and security.
- Closes completely in locked position
- Quality 7- and 11-gauge steel to withstand the toughest environment

Service:

- Toll free number 1-800-330-5399
- Installation services available throughout the Continental U.S.
- Full 3-year warranty on all metal products

Options:

- Parts
 - FM-PWR-DLH-E:* Hardwired DC power supply for the Dell Latitude "E" series.
 - FM-PWR-DLC-E:* Cigarette plug DC power supply for the Dell Latitude "E" series.
- Dell "E" series Advanced Port Replicator - required for docking functionality (sold separately through Dell).
