

## FM-CO-EXPL2: Package for the Ford Explorer (2002 and newer)

\* Please note that all our mounting equipment is actually black in color. All metal hardware (base mount, pole, top plate, tilt-swivel, etc.) is covered with a glare-resistant, black powder-coat. These components are pictured here in a lighter color to show more detail.

**(Included hardwired Power Supply, Voltage Protection/Timer Device, and Wiring Harness are not pictured here)**
